Service Plans

The easy way to take care of your vehicle

Tailor-made

We will give you an individual quote to suit your needs based on your car's service schedule, your average mileage and how many services you want the Service Plan to cover.

You can take out a Service Plan at any time of vehicle ownership. And if you decide to sell your vehicle before the end of the term of the plan, you can easily transfer it to your new vehicle.

What's included?

The Service Plan covers the complete cost of your standard servicing, including parts and labour, with the exception of normal wear and tear parts such as tyres, brake pads and windscreen wipers etc.

No hidden costs

The servicing costs of your vehicle are frozen on the day you sign up so you don't need to worry about price raises during the term of your Service Plan.

Quality service

Your vehicle will be maintained and serviced by our professionally trained technicians.

And what's more, we will stamp your service book, helping to maintain your vehicles' resale value and to keep your warranty valid.
