Description

The 2017 Hyundai i10 SE is a compact 5-door hatchback that combines reliability, efficiency, and everyday practicality. Finished in Polar White, this 1.0-litre petrol manual offers CO₂ emissions of just 108 g/km and impressive fuel economy of up to 60.1 MPG — making it an ideal choice for city driving or commuting. It comes with a Full Service History — eight services in total, with the most recent completed at 41,964 miles on 25/09/2025. Part of that history is from Hyundai main dealers, reflecting the car’s well-maintained pedigree. Having had only three previous owners, this i10 is a smart and dependable small car that’s ready for its next chapter. Inside, the cabin is designed for comfort and convenience, featuring air conditioning, height-adjustable driver’s seat, electric front and rear windows, and practical storage solutions throughout. Entertainment and connectivity are easy thanks to a DAB digital radio,

Bluetooth, USB and AUX inputs, and steering wheel-mounted audio controls. Rear parking sensors help with everyday manoeuvres, while cruise control with a speed limiter makes longer drives effortless. Safety is a strong point too, with electronic stability control, traction control, ABS with EBD, front, side, and curtain airbags, tyre pressure monitoring, and ISOFIX child seat anchor points all included. Outside, the i10's neat styling is complemented by body-coloured bumpers and mirrors, daytime running lights, and a rear spoiler. It also comes equipped with 14" steel wheels and a space saver spare. At W R Davies Nissan Rhyl, every car is prepared to the highest standards. Established in 1924, we're a trusted, family-run main dealer group. Reserve this Hyundai i10 SE online for just £99 (fully refundable). Finance, part exchange, and nationwide delivery are all available.
