Description

Introducing the DS 4 Cross Rivoli E-Tense – a sophisticated blend of electrifying performance, avant-garde design, and cutting-edge technology. This model exemplifies DS Automobiles' commitment to innovation and luxury, providing an unparalleled driving experience that is both thrilling and refined. ****Electrifying Performance:**** The DS 4 Cross Rivoli E-Tense is powered by an advanced plug-in hybrid system that combines electric and petrol power to deliver smooth, responsive performance. With instant torque and seamless acceleration, this vehicle ensures every drive is both dynamic and efficient. ****Avant-Garde Design:**** Exuding elegance and boldness, the DS 4 Cross Rivoli E-Tense stands out with its avant-garde design. From its

distinctive front grille and striking LED matrix headlights to its sculpted lines and refined detailing, every element of the exterior reflects sophistication and modernity.

****Luxurious Interior Comfort:**** Step inside the DS 4 Cross Rivoli E-Tense to discover a world of luxury and comfort. The interior is crafted with high-quality materials, including premium leather upholstery and finely detailed stitching, offering a serene and indulgent environment. Ergonomic seating and advanced climate control ensure a relaxing journey every time.

****Cutting-Edge Technology Features:**** Stay connected and in control with the DS 4 Cross Rivoli E-Tense's cutting-edge technology. The advanced infotainment system, featuring a high-definition touchscreen, integrates seamlessly with your digital life, while the digital cockpit display provides crucial driving information at a glance. Enhanced driver-assistance systems ensure safety and ease on every journey.

****Efficiency and Sustainability:**** Experience the future of driving with the DS 4 Cross Rivoli E-Tense's plug-in hybrid technology. Enjoy zero-emission driving in electric mode for city commutes, with the flexibility of hybrid power for longer trips. This blend of efficiency and sustainability allows you to reduce your environmental footprint without sacrificing performance.

****Comprehensive Safety Systems:**** Safety is a top priority in the DS 4 Cross Rivoli E-Tense, equipped with a suite of advanced safety features. Adaptive cruise control, lane-keeping assist, and automated emergency braking are just a few of the technologies designed to protect you and your passengers, providing peace of mind on every drive.

****Exquisite Style and Performance:**** The DS 4 Cross Rivoli E-Tense combines exquisite style with electrifying performance, setting a new standard in the luxury crossover segment. Its blend of cutting-edge technology, luxurious comfort, and sustainable performance makes it an ideal choice for discerning drivers. Experience the DS 4 Cross Rivoli E-Tense today and embark on a journey of sophistication, innovation, and dynamic driving pleasure.
