Powered by the responsive 1.0 litre petrol engine paired with a smooth 6 speed manual gearbox, the 500X delivers an enjoyable drive while still offering impressive economy of up to 47.1 mpg. The 7 inch HD touchscreen infotainment system includes satellite navigation, DAB radio, Bluetooth connectivity and Apple CarPlay and Android Auto, keeping you connected wherever the journey takes you. Dual-zone climate control, ambient interior lighting and the Techno leather steering wheel all add to the refined driving experience. The Cross Plus styling gives this 500X a more rugged and confident appearance, enhanced by striking 18 inch alloy wheels, LED headlights, dark tinted rear windows and satin chrome exterior detailing. Practicality is also excellent thanks to the versatile 60/40 split folding rear seats and generous boot space. Driver assistance features including lane assist, traffic sign recognition, rear
