Description

Introducing the future of driving: the Citroën ëC4 E-SERIES. This revolutionary 100% electric marvel is redefining the automotive landscape, and now you can be a part of it. Finished in the sleek Cumulus Grey, this stunning vehicle is as stylish as it is eco-friendly. With its automatic transmission, the Citroën ëC4 E-SERIES offers a seamless and effortless driving experience, making every journey a pleasure. Plus, with its impressive 200-mile range, you'll have the freedom to explore without limits. But the benefits don't stop there. When you choose the ëC4 E-SERIES, you're not just getting a car – you're getting peace of mind. With a comprehensive 3-year, 60,000-mile warranty, as well as an 8-year, 100,000-mile traction battery warranty and 8 years of roadside assistance, you can drive with confidence knowing that you're covered. And because we believe in making the transition to electric as easy as

possible, we're including a Type 2 charging cable with every purchase. Plus, with our 24-hour test drive option, you can experience the joy of electric driving firsthand before making a commitment. At our dealership, we're here to support you every step of the way. Whether you have questions about electric vehicles, need advice on infrastructure and charging solutions, or want assistance with maximizing your range, our knowledgeable team is here to help. With financing options available, including 0% APR finance, and all part exchanges welcome, there's never been a better time to make the switch to electric. Don't miss out – visit our showroom today and discover the future of driving with the Citroën ëC4 E-SERIES.
